Introduction

Introduction

Kindel Global Resources Limited is a privately owned Nigerian contractor and industrial services company established and registered in Nigeria under the Companies and Allied Matters Act 1990 with the Corporate Affairs Commission.

“ We are pleased to offer our professional services in Freight forwarding, manpower supply, procurement, project management, equipment hire/supply, logistics and haulage with our office in Lagos and partners in Dubai, China , UK, Canada and USA.”

Our Vision

1. Our vision at KGR is not to be the biggest but rather the best hence our motto "Doing it right, the first time & always"
2. Relationships are important to Kindel Global Resources; whether it be with clients, partners or other service providers.
3. We like to understand our clients' business as well as their individual needs and requirement and take pride in growing with them as they grow their businesses.
4. At KGR, we become a part of our clients business and strive to seek the best suited options on all their needs and expectations at all times

Our Mission

1. **KGR provides its** valued clients with the highest level of service in providing certified and highly trained personnel, quality equipment sourcing and procurement, on-site/offsite project management through our own local office as well as our global network of partners.
2. Relationships with indigenous engineering training institutes and direct equipment importers are strong which enables us to offer competitive rates and reliable, efficient services at all times.
3. **In addition, we strive to understand our client's individual** requirement and to ensure that we always provide an efficient, cost effective service which means clients return time and time again to "US" their preferred business associate.

Man Power Supply

Manpower Supply

Kindel Global Resources Limited is committed to providing quality skilled personnel and unskilled labour based on the requirement of our client using the internationally acceptable standard.

We ensure that all our deployed personnel are motivated, competent, medically fit and have proper documentation. We will also ensure that all personnel are properly screened and well briefed before joining their assigned departments. Personnel are briefed in accordance with the relevant rules and regulations peculiar to the client or related industry

Freight Forwarding

Freight Forwarding

We offer services in freight forwarding, import/export of shipments to port clearance activities. Our expert handlers work in sync with clients every step of the way to deliver your consignments of any size by air, sea or road, to and from anywhere in the world and throughout Nigeria.

Our office in Lagos collaborates with partners in Dubai, China, Italy, Germany, UK, USA to provide a comprehensive door-to-door service and make your business experience with us worthwhile.

Kindel Global Resources also procure LIQUID HELIUM DEWAR/TANKS with high purity for our various clients in Nigeria from our reputable partners overseas. In all, we become a part of our clients business and strive to seek the best suited options on all their shipments at all times.

Procurement

Procurement

Procurement/Equipment Lease

Procurement is one of our specialized business areas. We possess the ability, means and technical knowhow to meet our client needs in a timely manner without compromising standards.

We source our equipment through international and local vendors who have been tested and trusted. KGR provides and supports clients in procurement and lease of equipment professionally, by rendering advice on equipment supply and contribute significantly for equipment required for specialized projects.

Project management

Project Management

Kindel Global Resources Limited offers project management services to our esteemed clients in areas of on/off site project monitoring and execution, project costing, project scheduling and project lifecycle. Our management team adopts client friendly techniques in executing an automated management process.
